Re: claim CLM-2025-10716, policy DG-3514-5571

Dear Sir or Madam,

I am writing to make a claim under my policy.

A pipe burst inside the kitchen wall overnight. The water ran down into the fuse board, which shorted and started an electrical fire. The fire damaged the kitchen ceiling and units, and the water ruined the flooring and the wall behind the cooker.

The amount claimed is 9,084.35 euros. The incident happened on 2025-12-12 in Villach. The policy has been in force since 2022-01-13. For identification, the Austrian social insurance number is 9076170488.

Please contact me if you need anything further.

Yours faithfully,

Vera Schwarzl
