Re: claim CLM-2026-71710, policy POL-31627658

Dear Sir or Madam,

I am writing to make a claim against your policyholder, Luisa Dallara.

Water from your policyholder's flat leaked into my flat below and damaged my belongings. I suffered a fractured wrist and needed time off work. I hold your policyholder responsible and am claiming against their liability cover.

The policy has been in force since 2021-09-16. The amount claimed is 56,943.46 euros. For identification, the codice fiscale is VCLVNN53P49E999N. The incident happened on 20/03/2026 in Verona.

Please contact me if you need anything further.

Yours faithfully,

Vanessa Rastelli
