Subject: Claim CLM-2026-15348

Hello,

I am writing to make a claim under my policy.

My policy number is AL/559074/PN.

Heavy rain overflowed a blocked gutter and water ran down the inside of the back wall. The wall needs drying out and replastering, and a sofa was soaked. I turned off the water at the stopcock and moved what I could.

The incident happened on 2026-09-03 in Bregenz. The amount claimed is EUR 9273.00. The policy has been in force since 2023-01-11. For identification, the Austrian social insurance number is 8607100231.

Separately, my Audi A4 was broken into on the same street the following week and the stereo was taken. I was given a different reference for that, CLM-2026-93000, and I would like both dealt with together if possible.

Thanks,

Therese Pöschl
