Subject: Claim CLM-2026-59963

Hello,

I am writing to make a claim under my policy.

My policy number is HL/414825/SN.

The water tank in the loft leaked and soaked the bedroom ceiling below. Skirting boards, a carpet and the lower kitchen units are water damaged. A plumber stopped the leak the same day and has invoiced for the call out.

The incident happened on September 3, 2026 in Clarkton. The amount claimed is 8,678.00 pounds. The policy has been in force since 11/01/2023. For identification, the National Insurance number is ZZ531135T.

Separately, my Volkswagen Golf was broken into on the same street the following week and the stereo was taken. I was given a different reference for that, CLM-2026-73326, and I would like both dealt with together if possible.

Thanks,

Dr Janice Williams
