Re: claim CLM-2026-35921, policy POL-49768508

Dear Sir or Madam,

I am writing to make a claim under my policy.

While I was queueing at a roundabout, another car drove into the back of my Vauxhall Corsa. The front wheel and suspension arm are bent and the car cannot be driven. Photos of the damage were taken at the scene and are available.

For identification, the National Insurance number is ZZ 994401 T. The police reference is MP/86094/26. The policy has been in force since 28 May 2022. The amount claimed is 10,969.64 pounds. The vehicle registration is LP41QZY. The incident happened on the 17th day of June in the year 2026 in Kimberleyville.

Please contact me if you need anything further.

Yours faithfully,

Lynn Edwards
