Re: claim CLM-2025-79151, policy NBM-6597-4001

Dear Sir or Madam,

I am writing on behalf of my client, Paul Todd, who holds the policy.

A pipe burst inside the kitchen wall overnight. The water ran down into the fuse board, which shorted and started an electrical fire. The fire damaged the kitchen ceiling and units, and the water ruined the flooring and the wall behind the cooker.

For identification, the National Insurance number is ZZ852152T. The policy has been in force since 13/01/2022. The amount claimed is £12,435. The incident happened on 12 December 2025 in Fostershire.

Please contact me if you need anything further.

Yours faithfully,

Francis Hargreaves
