Re: claim CLM-2025-38554, policy NBM-5054-5523

Dear Sir or Madam,

I am writing to make a claim under my policy.

In heavy rain my Skoda Octavia skidded on a bend and hit a stone wall. Both nearside doors are dented and the wing mirror is broken. Photos of the damage were taken at the scene and are available.

The police reference is MP/21062/25. The policy has been in force since 29 March 2024. The incident happened on 29/12/2025 in Stevensland. The vehicle registration is FZ05ZHQ. The amount claimed is 5,509.98 pounds. For identification, the National Insurance number is ZZ 59 52 76 T.

Please contact me if you need anything further.

Yours faithfully,

Mary Wheeler
