Re: claim CLM-2026-51573, policy NBM-7933-9128

Dear Sir or Madam,

I am writing to make a claim under my policy.

I parked my BMW 1 Series at the station car park in the morning and it was gone in the evening. The car has not been recovered. I still have both sets of keys apart from the stolen one.

The police reference is WY/70292/26. The policy has been in force since 2026-06-30. For identification, the National Insurance number is ZZ 57 13 97 T. The vehicle registration is EN16 HXO. The amount claimed is GBP 9706.10. The incident happened on July 5, 2026 in Port Lukemouth.

Please contact me if you need anything further.

Yours faithfully,

Rosemary Forster
